# INCOME DISCLOSURE STATEMENT

The Financial Rewards Program is an exciting opportunity designed to reward you for your hard work. As we are all unique and different, everyone's results will vary. Any and all claims or representations, as to income earnings from ByDzyne or within the program are not to be considered average earnings, neither can they be used as an indication of your future success or results. Past performance is not a guarantee of future results. Income disclosures are neither a guarantee of performance nor an indication of anticipated return. Income results are based on many factors, within and outside of your control, including economic factors, business and sales skills, quality of time, dedication, work ethic, and leadership. Some will perform well above average earning a substantial income, while others will perform below average, and some may not earn any income at all. ByDzyne does not guarantee or imply any specific income earnings, results, or success. If you rely upon our examples and information, you must accept the risk of not doing as well as the examples provided. For the full IDS, please visit [www.bydzyne.com/IDS](http://www.bydzyne.com/IDS).
