# LEMON · BLACKBERRY · AÇAÍ

## THE HERO FLAVOR

With the hydrating freshness of citrusy lemons and the enriching properties of blackberry and açai, **LIGHTNING** is the perfect companion to keep you on the go.

## EXPLORE THE INGREDIENTS!

### ACEROLA CHERRY EXTRACT

A superfruit with properties of vitamin C. This tart-flavored cherry contains phytochemicals, including anthocyanins, phenolic acids, and flavonoids. Its beneficial properties can stimulate the body's natural defenses, support natural digestion and more.

### GREEN COFFEE BEAN EXTRACT

With a regulated kick of caffeine, green coffee beans supplement essential energy. They contain high concentrations of Chlorogenic Acid that assists in management of weight when consumed with a healthy diet.

### L-CARNITINE

L-carnitine is a nutrient and dietary supplement. It plays a crucial role in the production of energy due to its thermogenic effect that supports weight management.

## TASTE LIGHTN1NG ENERGY

Do not exceed 2 servings per day. This product contains caffeine. It is not recommended for people who are caffeine sensitive., children under 18, or women who are pregnant or nursing.

Empty the contents of one stick pack into 12-16oz of water or your preferred drink. Stir and enjoy for renewed energy!

Taste you will **LOVE**  
Clean energy you can **TRUST**

LIGHTNING alone does not produce any weight loss in the absence of a healthy diet and moderate activity. These statements have not been evaluated by the Food and Drug Administration. The product is not intended to diagnose, treat, cure and prevent any diseases.
