The user acknowledges that trading FOREX carries significant risk and accepts sole responsibility for the outcome of any accepted trading ideas sent through the Pip Grabber tool or Trend500.

II. FOREX INVESTMENT CLAIMS:

SMA, our FOREX educational platform must not be promoted as an investment platform. Do not promise any return on investment and never give any investment/trading advice because only a certified licensed broker/fund manager should give investment advice.

III. FOREX INCOME EARNINGS CLAIMS:

It is forbidden to share any personal results or results of others related to FOREX income earnings claims.

IV. EARNING COMMISSIONS FROM FOREX BROKERS IS PROHIBITED:

It is forbidden to generate revenue or any type of commission through any forex broker in association with ByDzyne. Earning revenue through such links is strictly prohibited and may lead to legal action.

I. SMART MARKET ACADEMY (SMA), PIP GRABBER & TREND500 DISCLAIMER

SHORT DISCLAIMER:

ByDzyne provides access to education and tools. It is the responsibility of every user to understand and trade within their own risk management temperament. MTI provides training and regularly shares educational material with all ByDzyne users in various forms for users to take control of their trading. When trading ideas are sent, it is the user's decision to decide to follow the idea (or not) and assume all liability for their trading decisions. The risk management training provided by MTI is for educational purposes only and is designed to help the user determine their risk tolerance. Neither MTI nor ByDzyne guarantees any profits or losses incurred by the user for any reason. Individual results vary, all trading systems carry risks. Past performance is not indicative of future results. For the full SMA disclaimer, visit www.bydzyne.com/SMAdisclaimers.

FULL DISCLAIMER:

(A) ALL TRADING DECISIONS ARE BASED ON USER DISCRETION

ByDzyne is not the advisor, and it is entirely up to the independent user in their discretion to decide whether to accept a trading idea. ByDzyne makes zero claims as to the benefits of the Pip Grabber tool or Trend500 and that no assurances can be given that the independent user will profit from the use of the Pip Grabber tool or Trend500 or that the user will not lose any of their money. SMA Products offered by ByDzyne are only for educational purposes. All trading systems carry risks. Past performance is not indicative of future results. Individual results vary and no representation is made that users will or are likely to achieve profits or incur losses comparable to those that may be shown.

FOREX EDUCATION DISCLOSURES & DISCLAIMERS

I. SMART MARKET ACADEMY (SMA), PIP GRABBER & TREND500 DISCLAIMER (contd.)

(B) USER ACCEPTS SOLE RESPONSIBILITY FOR TRADING DECISIONS

The user of the Pip Grabber tool and Trend500 accepts sole responsibility for any and all online trading or day trading decisions and accepts that such decisions are made by the user alone. All transactions that occur in the user's trading account with their broker accepts all legal responsibility for them. The user understands that the Pip Grabber tool and Trend500 works with a multiple number of brokers found at SmartTrader.com. It is the user's sole responsibility to perform their own investigation and due diligence regarding the use of the broker that meets the user's needs and is appropriate for the user. If the user believes that the broker is not appropriate for them, then they should not use or acquire the Pip Grabber tool or Trend500. ByDzyne does not recommend any broker and does not earn any commissions for the use of any broker by the user.

(C) USER ACKNOWLEDGMENT OF ALL FOREX-RELATED RISKS

Heavy losses can be incurred when trading FOREX and the user should carefully analyze their financial condition to determine if trading FOREX is financially prudent for them. The user hereby acknowledges and understands that trading FOREX can expose them to severe risks including the fact that they can suffer a loss of a percentage (if not 100%) of their capital, cash, and/or assets pledged to trade FOREX. The user understands that ByDzyne is not responsible in any way, whatsoever, for any trading transactions that occur in their trading account which is between the user and their broker. The user also agrees that there may be periods when the market turns against their interests, or unfavorable market conditions arise which may cause unexpected consequences on their opened positions, sudden closes with loss due to margin calls, and/or broker not providing tradeable prices due to high market volatility. The user agrees that purchasing or selling FOREX lots may result in a profit or loss. It is important not to trade money that one cannot afford to lose.

(D) DEMO / PRACTICE TRADING IS RECOMMENDED

The user should practice demo/practice trading (trading accounts that do not use real money) UNTIL they feel confident and comfortable enough to accept liability for their own trading decisions. Remember that real trading is substantially different from demo trading. Demo/practice trading simulates actual market conditions including, but not limited to, quick moving markets, failure to have an order filled, bad market conditions, and other conditions. The user should carefully think over their trading objectives, risks and experience before participating in the FOREX market with real money.

(E) BYDZYNE IS NOT AN ADVISOR

ByDzyne does not represent itself as an investment advisor or a commodities trading advisor. ByDzyne therefore does not provide any kind, whatsoever, of any investing advice. Users must always consult a qualified, certified licensed broker/fund manager when seeking investment advice.

(F) BYDZYNE DOES NOT GUARANTEE ACCURACY OF TRADING IDEAS

ByDzyne is not liable for any loss or damage, including without limitation, any loss of profit, which may arise directly or indirectly from use of or reliance on systems and trading ideas provided by services sold by ByDzyne such as MTI's Pip Grabber tool and Trend500. Moreover, ByDzyne is not responsible for correctness of any trading ideas produced by such services or products. Statements regarding results, pips, income, gains, or losses are not an express or implied guarantee of ANY KIND.

(G) FOREX TRANSACTIONS CARRY RISK

Considerable risks in FOREX transactions exist. Those risks include without limitation, leverage, creditworthiness, limited regulatory protection, world political conditions, and market volatility that may substantially affect the price and/or liquidity of a currency or currency pair.

(H) USER IS RESPONSIBLE FOR ANY LOSS OF MARGIN FUNDS

As a result of the volatile nature of FOREX trading, any market movement will have an effect on the user's deposited funds. User could sustain a total loss of initial margin funds and be required to deposit extra funds to maintain their position. If the user fails to satisfy any margin requirement, their position may be liquidated, and they become responsible for any losses. To manage equity and exposure, employ risk management strategies provided only by a professional. If the user decides to follow MTI's risk management ideas, they are responsible and accept liability for this decision.

(I) USER IS RESPONSIBLE FOR INTERNET-BASED TRADING SYSTEM RISKS

There are also risks associated with using Internet-based trading systems including, without limitation, the hardware, software, and Internet connection failures. ByDzyne is not responsible for any communication failures or delays when trading via the Internet. It is the user's responsibility to protect access to their account and to ensure that no one else has access to their account credentials. ByDzyne is not liable for any loss or damage incurred due to shared or unauthorized account access.

(J) USER MUST FULFILL TAX RESPONSIBILITY

The user must understand that any profits will be subject to the payment of taxes. ByDzyne provides no tax advice, and they are directed to discuss the tax consequences of their trades with their own tax professional prior to conducting trades.
